Thanks from Ken

As many of you may know, Manola Hackman was in the hospital this past week after a bad fall last Saturday. She was moved out of ICU on Friday and is on her way to recovery. Ken sends his heartfelt thanks for all your prayers for Manola. For the next few weeks, he will be assisting her with her physical therapy and catching up on some rest. Keep the prayers and well wishes coming through email and Ken will pass them on to Manola.

Combat Cameramen in Action Images

Need more cameramen in action images. Just need the basic information: Who shot it, Who is in it, The event - exercise, real world event, training, etc. And, if possible, the year it was shot.

A BIG thank you to Clarence Brown at the 1st for supporting us with recently made images of Combat Cameramen in Action.

WE NEED MORE! more. Look in your stashes, scan them and send them in to: <mailto:josepj@earthlink.net> for a wider representation our people in the field.

Here's a sample of what they'll look like on the display monitors for Norton and March.

Also want to thank all who sent in equipment for the permanent displays.

Bench excess Contributions

Cris Hamilton, President, will be tasking Mike Daniels, Treasurer, to donate excess bench funds in the amounts sending \$500 to Disabled American Veterans and \$500 to Vietnam Veterans of America.
