### LIVE Stream: Combat Camera Bench Dedication

**Thanks again to all of you who helped bring the Combat Camera Memorial Bench to fruition.**

**For those that aren't able to attend the Combat Camera Memorial Bench Dedication at the Air Force Museum on August 22<sup>nd</sup> at 09:30 hrs EST, we have plans to stream the event live via our website and Facebook page.**

Our only concern is that we might not have enough bandwidth (internet speed), but we're going to give it a good try.

If you'd like to join us then visit one of the following pages starting at 9:30 EST. We will also record the broadcast for replay at a later date.

When you visit one of the pages if it says Offair in the lower right corner of the player then that means we're not broadcasting yet. If it says Live then click on the play button and depending on the speed of your computer, the internet and everything, you should be able to watch the dedication.

You may have to watch an ad before the feed starts as well, but that's what we have to do with a free account to do this.
